

If you cannot attend the APCM in person then you will be able to watch proceedings live via our Church YouTube channel. To follow proceedings please go to the St Johns CE Church Ainsdale YouTube channel which you can do via your normal browser on a laptop or PC, or via the YouTube app on a tablet, phone or smart TV. There will also be a link to follow on the Church website. Once on the Church channel you need to click on the most recent picture at the top which will have the word "live" in the window. This will bring up the live pictures. It will be available from 3.45pm and those viewing will initially see a welcome screen which will switch to a live video feed at 4pm. You do not need to sign in to YouTube to watch proceedings. Please note if you launch the page before 3.45 then you may need to 'refresh' the page at 3.45 to get the live feed on. If you are participating from home then you can ask questions during the meeting by emailing stjohnsainsdale@outlook.com and we will do our best to answer as many questions as possible during the meeting. Please note that this email address will be available from 3.45pm until the end of the meeting only. Unfortunately those watching online will not be able to vote during the meeting. If you are planning to watch online and wish to put yourself forward for any Church offices then please can you do this before the meeting by contacting me (John Forshaw) or one of the Wardens as soon as possible. Finally, this will be the first time that we live stream an event; we have tested the technology but if you some reason things don't go to plan then please bear with us and we will do our best to try and keep things running smoothly."
